

Ref: JLK/JOS/YEAR 9&10 MATHS REVISION GUIDES

27 November 2017

Dear Parent/Carer

**Re: Maths Revision Guides**

As a College we can purchase revision guides and workbooks for a significant discount from CGP. The revision guides contain summary pages that cover the information needed for the examinations at the end of the year while the workbooks contain questions to assess their understanding of the topics and focus their revision on areas that they do less well in.

The books retail for £5.95 (revision guides) and £5.50 (workbooks), however we can purchase them in bulk with a large discount bringing the cost to £2.50 and Casio calculators are available for £6.50 each. If you wish to purchase any of these resources for your child please complete the reply slip below and ensure that it is handed in with payment to the finance office.

Yours sincerely
