

22 March 2017

Dear Parent/Carer,

Year 12 University Information Evening - 26 April 2017

I am writing to inform you about our University Information Evening which is being held at Hampton College on 26 April 2017. The evening event is being held for anyone whose son/daughter is currently in Year 12 and is thinking of applying to university.

There will be two presentations taking place inside school, the first of which will start at 6:30pm. The key topics covered will be surrounding the application process itself; how and when to apply, costs involved, where to research universities and their courses, how students receive their offers etc. We will also be pleased to welcome Scott Knight from Anglia Ruskin, who will talk specifically about the relatively complex issues and processes surrounding student finance. We anticipate the evening will be finished by 8pm at the latest.

It would be very useful to me if you could give an indication as to how many people will be attending the evening. If you could complete the reply slip below and return to the main office as soon as possible I would be grateful.

I hope to see you on 26 April.

Yours sincerely

Paul Edenbrow
