

Hampton College: CEIAG - Provider Access Policy Annex

COVID

Despite the pandemic, we would still like to offer careers opportunities to our students. Under the current circumstances, it is preferred that any meetings happen virtually. This will be facilitated via Teams and should be arranged by Miss Chester.

Should it be necessary (and deemed safe) for a meeting to happen in person, any visitors to the school should wear a face covering for the entirety of their visit (unless exempt), should respect 2m social distancing guidance, and should sanitise their hands regularly. There is also a one-way system in place within the school which should be followed.

Any meeting will take place in a ventilated room, and respecting social distancing. These requirements are all in line with the school's risk assessment.
