Dear Parent/Carer

### Year 10 Curriculum and Revision Evening - 11 October 2022

I am writing to remind you of our Year 10 Curriculum and Revision evening that is due to take place on 11 October, which this year will be taking place in person.

Your child has just started Key Stage 4 and their journey towards achieving the qualifications that will decide the next stage in their life. This is, without a doubt, the most important stage in your child's school career so far and their hard work and commitment to their studies from the very start of Year 10 is vital to ensure they achieve their full potential.

We feel strongly that support from parents and carers at this important time is essential to ensuring success. We would like you to be fully informed and involved as much as possible throughout the two years. To help us arrange sufficient refreshments for the evening, we would appreciate if you could please advise if you are able to attend the evening using this brief online form [HERE](#).

The presentation will cover information from our core subjects: English, Maths and Science, as well as Languages. There will also be information on the assessment system at Key Stage 4 and how to support your child at home.

The event will start at 6pm and last around one hour. There will be refreshments served at 5.45pm.

Yours faithfully

Miss A Yeoman  
Assistant Head of School
